# Affiliate Membership

Working together to promote the growth  
and development of the mass appraisal  
industry around the world

**The International Association of Assessing Officers (IAAO)** is a nonprofit educational association. Its vision is to be the global leader and preeminent source of standards, professional development and research in property appraisal, assessment administration and property tax policy.

With over 7,600 members in 28 countries, IAAO represents the highest ideals of the mass appraisal community. Become a part of the largest international organization for property valuation professionals by joining 90 Chapter and Affiliates from around the world promoting excellence in the industry.

IAAO actively contributes to the growth and success of the mass appraisal industry globally. Individuals and organizations turn to IAAO for guidelines and expertise. Policy makers, regulatory agencies, courts, media and tax payers rely on IAAO guidance, standards and education. The association strategically chooses collaborative partners in order to provide exceptional professional development, unsurpassed networking and valuable insights into industry trends.

### **IAAO Core Values**

- Commitment to the improvement of the property tax system worldwide
- Accountability to the public good
- Commitment to excellence in assessment administration beyond property tax law
- Respect for the worth and dignity of all individuals
- Promotion of inclusiveness, fairness and diversity
- Obligation to organizational transparency, integrity, and honesty in all professional activities
- Practice of responsible stewardship of resources
- Dedication to excellence, and maintenance of the public trust

IAAO offers courses, workshops, seminars, webinars, consulting services and more. By becoming an affiliate of IAAO, your organization will be joining members worldwide who share the same professional concerns. Your affiliate will serve the educational, professional and social needs of your community through programs and services, with support from IAAO.
