2024 APPLICATION FOR IAAO RESEARCH GRANT

*A service of the IAAO Board of Directors, Administered by the
Research and Standards Committee and IAAO Research Department*

ABOUT IAAO AND THE IAAO RESEARCH GRANT

The mission of IAAO is to promote innovation and excellence in property appraisal, assessment administration, and property tax policy through professional development, education, research, and technical assistance.

Through the IAAO Research Grant, IAAO provides financial support for either IAAO members, or students and faculty to complete innovative research in areas related to property appraisal, assessment administration, and property tax policy.

Acceptance of an IAAO Research Grant carries with it an obligation to submit a satisfactory report or article for publication by the editor of any IAAO publication. If applicable, a sharable software template developed from project research is also highly encouraged. A presentation at an IAAO conference should also be considered. A complimentary IAAO conference registration is provided, and a separate scholarship for travel expenses is available if needed (additional forms required that can be found on the iaao.org website.)

ELIGIBILITY

All IAAO members, graduate students and faculty at accredited colleges/universities are eligible to apply. Both international and domestic students are eligible, however the final report must be in the English language. Research should be completed within a year and quarterly progress emails are required.

SUBJECT AREAS

IAAO seeks inventive quality research projects on the following major subject areas:

- Valuation methods and innovations of any property type (real or personal) for property tax purposes
- Assessment administration trends including revised methods, procedures, and new uses of technology
- Property tax policy and its impact including evolving global policies, initiatives, and economic development strategies
- Assessment and valuation standards that affect assessment professionals and property owners

PREPARATION OF PROPOSALS
